V1 We are a garden of peace
 blooming strong across the land.
 By God's light and truth
 we travel hand in hand.

 Like our sister pioneers,
 we embrace the new frontiers
 as we spread the Gospel of peace.

Refrain And we are grounded in grace,
 we are rooted in faith.
 We grow in hope;
 we blossom in love.

 We serve and we teach.
 We praise and bless and preach
 as we read the Gospel,
 as we heed the Gospel,
 as we preach the Gospel of peace.

V2 We know the field are ripe for harvest
 and the laborers are few.
 God's Word and Spirit
 will see us through.

 As the sowers of seeds,
 we will help God's reign increase
 as we spread the Gospel of peace.
